

# IMPORTANT NOTICE

## **Temporary closure Pixash Lane Recycling Centre, Keynsham**

## **Essential works for 6 weeks from**

**Monday 11 October 2010 to Sunday 21 November 2010**

We're planning to carry out the works in as short a time as we can, so the site is due to **re-open on Monday 22<sup>nd</sup> November**. Please check for the exact re-opening date nearer the time on our website [www.bathnes.gov.uk/pixashlane](http://www.bathnes.gov.uk/pixashlane) and in the local press.

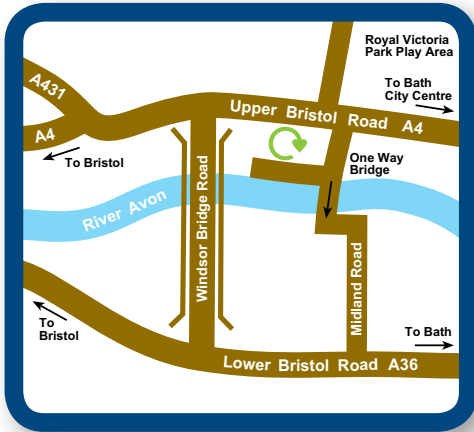

We need to close the household recycling site so that essential resurfacing work can be done. The tarmac surface has become worn and hazardous. It'll be replaced by a much stronger concrete surface.

**While this Recycling Centre is closed you can use one of our other Recycling Centres instead at Bath or Midsomer Norton. Please see over for maps, addresses and contact details for further information.**

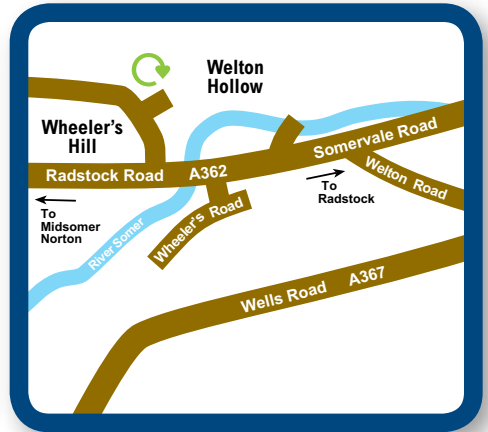

**Please remember that you can put out a wide variety of recyclables in your weekly green box collection, and cardboard in your blue bag.**

We're sorry for any inconvenience this temporary closure causes and thank you for your understanding.
