Parish Ponderings

We've experienced seminal moments in the history of the United Kingdom in the last few weeks.

Experiencing the Queen's Jubilee last summer and then her passing mere months later is a sudden and surreal loss. The Princess of Wales revealed as she thanked well wishers in Windsor that her youngest child Prince Louis told her the Queen is now "with great-grandpa" and said his words were "so sweet." As I've listened to villagers express their shock, sorrow, sadness, and questions, it made me reflect on why not only our nation, but many other nations as well feel the loss of the Queen so keenly. Unashamedly, I cried when I heard the news of the Queen's death. I continued to feel deeply saddened as I took in the events of the period of mourning with their poignant pageantry, splendour, and military discipline. Watching the deliberate postures of the clearly bereaved Royal family when they stood vigil several times for their mother and grandmother around her coffin were some of the most deeply affecting moments I think we've all witnessed. Devoted love is so very rarely public.

Her late Majesty changed the world because of her Christian faith in which she exemplified wisdom, compassion, devotion to her people, humility, duty, strength, constancy, upright leadership, and LOVE. That's why she was and is so loved. In her exalted position of spiritual and sovereign authority she was the servant Queen. The Queen who lived her calling to serve in faith and relationship with Jesus Christ out of which everything else flowed.

Theologian Frederick Buechner wrote about the Gospel message, "The world says, Mind your own business, and Jesus says, There is no such thing as your own business. The world says, Follow the wisest course and be a success, and Jesus says, Follow me and be crucified. The world says, Drive carefully - the life you save may be your own - and Jesus says, Whoever would save his life will lose it, and whoever loses his life for my sake will find it. The world says, Law and order, and Jesus says, Love. The world says, Get and Jesus says, Give."

The Queen lived the eternal truths of Christ. Her life was full of their abundant fruits. We also saw in the many thousands of peoples "pilgrimages" to pay their respects to her late Majesty that the fruits of faith evidenced through a person's life are respected, admired, loved and transformative. The Queen's promise to her people and to God to live her whole life in service to her people by God's grace is supremely and wonderfully complete. The Queen is in eternity with the KING of KINGs because eternal life is the reward fulfilled of faith in Christ. Therein lies the hope of the future for us all… redemption brings resurrection. "Thank you Ma'am" cannot possibly encompass all that we owe her late Majesty.

God the save the King and bless his reign with grace and peace.

God bless you, Rev Denise

All Saints' Markets

6th August, 2022 - A beautiful summer's day on 6th August encouraged a large number of people to visit All Saints' Publow to sample all the goodies for sale.

Once folk had bought from the range of stalls they were happy to sit over coffee and catch up. The home baking stall was laden with items and included a fine display of home-grown vegetables and fruit. Brenda's craft was in demand as were the plants. We were delighted to welcome Revd Trevor Stubbs with his latest Christian-based publications, sales of which benefit his nominated charity "Confident Children out of Conflict" based in Juba, South Sudan. All this activity resulted in £555 being raised for the maintenance of All Saints'. Grateful thanks to everyone who contributed in any way.

3rd September - It was noticeably quieter at our event in September, many people being on holiday. Despite this, a good sum of £358 was raised for All Saints' Church from sales of cakes, quiches and many other baked items. We also benefitted greatly from the sale of Cheryl Brewin's lovely cards of local scenes, flora and fauna. As always, thanks go to everyone who helped.

Our Market on Saturday, 1st October, will include a stall of pottery items by Kim Hacker and further paintings from the Robert Bailey collection as well as home baking.

Rev. Canon John Simpson

Canon John sadly died, aged 82, on 29th June in Hereford, to which beautiful city he and Carol had retired in 2015 after a very happy five years as non-stipendiary (meaning unpaid) priest in charge of our Benefice.

John came to Pensford in 2010 after a long and successful ministry at a large and impoverished parish in Lowestoft. He was looking for a rural posting for his final five years of ministry, far away from East Anglia where he had devoted his whole working life as a priest.

John was ordained in the United Reformed Church in 1963 and transferred to the Church of England in 1993. He brought his huge experience and a great depth of kindness to us at a time when we were sorely in need of these qualities, following the abrupt departure, after only just over a year, of his predecessor.

John and Carol immediately fitted in, no doubt helped by the presence of their three spaniels, which John walked for miles around the villages (or was it the dogs walking him?). Further bonding was achieved by Carol's son, Martin Sussams, who became our very successful organist and Director of music.

John was a big man in every sense and with a voice to match. He had been brought up in rural Suffolk and much enjoyed immersing himself in country life, indeed becoming chaplain to the North Somerset Agricultural Society. Many families valued the succour he provided at difficult and sad times. On a happier note, he liked nothing more than chatting to farmers across a hedge or gate.

It says much about his impact that some twenty current and past parishioners travelled to Holy Trinity, Hereford, on 22nd July for a very appropriate funeral service. Rt. Rev. Graham James gave the eulogy. Bishop Graham related how impressed he had been when he first met John when he himself became Bishop of Norwich in 1999. He assumed from all John's roles in the diocese that he must be a very senior member of the local clergy. In fact this was only six years after John had been ordained into the Church of England.

Of course, John had been a teacher and priest for much longer. He celebrated fifty years in the priesthood whist he was with us, a very happy occasion marked when Bishop Graham also attended and spoke.

John will be long remembered by all he met, a truly wonderful priest and man.

The same yesterday, today and forever

Many of us know well Bob Dylan's song '*The Times They Are A-Changin'*. Was it written with us in mind? None of us could have predicted the changes that we have seen in 2022. The death of our beloved Queen Elizabeth, the accession of a new King, a war in Ukraine, a cost-of-living crisis. None of these were on the cards as we made our new year's resolutions on the 1st of January.

Yet happen they have. And whether we like it or not, we're forced to agree with Bob Dylan's lyrics that the times are indeed changing. What can see us though these days?

A phrase that's often used about the period through which we're going is 'unprecedented'. I'm not sure it's entirely valid! Previous generations have faced situations as challenging or more than ours - seasons of plagues, wars, famines and conquest. The times in which the New Testament was written were, for its writers, periods of profound uncertainty. Its writers faced violence and vulnerability, conflict and dispute. Yet into their times they were able to speak words of hope, confidence and assurance.

One such phrase that stands out for me is a line from the letter to the Hebrews. Hebrews was written in response to a time of persecution and the possibility of people falling back from the faith as a result. Into its time and ours, the writer of the letter makes an extraordinary claim: '*Jesus Christ is the same yesterday, today and forever.*' (Hebrews 13:8)

Just imagine! The one who walked in Galilee has been there for his people throughout time, is with us now, and will be whatever the future may hold.

So respectfully, I have to disagree with Bob Dylan. In his song he tells us that in the face of times that are 'a-changin', we'd better start 'swimmin'. Much better than hyperactive splashing, I suggest, is to live out our vision to 'live and tell the story of Jesus'. For it's as we do so that we can hold fast to the one who is constant and unchanging, who holds us always in the palm of his hands; Jesus Christ who is 'the same yesterday, today and forever.'

Local Volunteers Make a Real Difference

The current facilities of two toilets and a store at All Saints' Church in Publow were adapted from the old boiler house back in the 1970s with the disabled toilet being added in the 1990s.

Little had been done to the building since the 1990's, as can be seen from the photograph of how it looked before this project started.

A team of eight volunteers was formed and led by Paul Cooper and they have jointly spent over 100 hours of their time refurbishing the facilities on behalf of the Church.

The work involved repairing and replacing elements of the roof and fascia, scraping off the old finish and repainting the internal walls in both toilets and all three doors being repainted, with one door being rebuilt.

Andrew Hillman, Church Warden said "*The churchyard at All Saints' is much loved by both local families, honouring relatives and friends, and casual visitors enjoying the beautiful surroundings. The building is a central and important feature and this refurbishment work really enhances the feeling of serenity. The PCC is hugely grateful to the team of volunteers.*

Attention now moves to enhancement plans for the interior of this historic church building, which is increasingly used for community activities."

Since completing the project, the group has received many compliments on how wonderful the building now looks both inside and out.

Pictured (l to r) Richard Stevenson, Charles Wookey, Mike Paul, Charlie Tricks, Paul Cooper and Peter Owen (not present in the picture are Cedric Bamford and Sam Cooper)

The group will soon be ready to move onto their next project in Pensford village where a full refurbishment of the old Church Room in Church Street awaits.

Anyone interested in joining the group, please contact Paul Cooper on 01761 490418.

Parish Picnic

The Churchwarden and PCC of All Saints' organised a parish picnic held on Sunday, 14th August. Charlie Tricks and Julie Parker kindly offered their garden as a venue. A total of 60 parishioners from across the Benefice brought their picnics. Tea, coffee and cold drinks were on offer and everyone enjoyed an ice cream (or 2!). Many took the opportunity to walk round the garden and woodlands protected from the intense heat, A total of £77.09 was raised for church funds. We are very grateful to Charlie and Julie for their generosity.

Chelwood Flower Show

Life is full of surprises! The lovely ones are most welcome and to be cherished. That is how I feel about Chelwood Flower Show, the first since 2019. In the weeks running up to the event all talk was of doom and gloom: burned up flowers and vegetables - if not shrivelled up then eaten by bugs, or ripened and flowered early and now over. Oh dear.

Still we were committed to it so on we went, what a day it turned out to be. Fewer entries, especially in veg and flowers and children's classes, but most other things presented a colourful display with plenty of visitors to view them.

Magnificent dahlias in shocking pink and purple, winning over those who definitely don't like dahlias! A superb quilt covered in butterflies sewn with minute stitches; a massive felted picture with 3D characters and a Faberge-type decorated goose egg. Plus, of course, fruit cakes, sponges and pots of jam.

The weather was perfect, so visitors were able to enjoy teas outside - an amazing array of lovely home-made cakes to choose from.

The evening Auction was well attended by a very jolly crowd determined to enjoy themselves and they did.

Cups were awarded, starting with the 4 & under class so that Cup Winner, William Booth, who was already in his pyjamas, could go home to bed!

Cups awarded: VEGETABLES: Annie Sherborne; FLOWERS:Betty Parsons; FLOWER ARRANGING: Jackie Young; CRAFTS: Ann Taylor; HOMECRAFT: Jackie Young; PHOTOGRAPHY: Jackie Langley;CHILDREN: 4& under: William Booth; 5 - 7:No entries. 8 - 11 : William Vince; 12 - 15 : Harry Burnside.

There were 266 entries and £976 was raised for Village Hall funds. Many thanks to all who helped in any way towards such a magnificent effort. Special thanks to our outstanding Auctioneer, Pete Sherborne and his helpers.

Next year let's see if we can break through the £1000 barrier!

Some more Practical Top Tips to Save Energy from Zero Carbon Compton ("ZCC")

In the light of the massive increases in energy costs here are some more top tips Please get in touch if we can be of any help zerocarboncompton@gmail.com . We have a thermal imaging camera you can borrow to identify and block up those drafts.

These tips will reduce carbon emissions as well as saving money, so it is a win all round. We are grateful to Keynsham Community Energy for sharing these with us. These are in no particular order!

- The cheapest energy is the energy you don't use, so ensure your property is well insulated. This includes relatively major works such as double glazing and cavity wall insulation, but also smaller DIY type solutions including radiator reflectors, loft insulation and window sealant strips. Even simple things such as a draught excluder on external doors – even one which is homemade like an old towel - can have an impact. Also remember to turn items off when you aren't using them and only heat rooms that are being occupied!
- Where possible utilise energy efficient devices - this could be replacing existing devices or just choosing the most efficient device for the job:
- A slow cooker is famously much more energy efficient than an oven.
- Having a short shower uses much less energy than a bath as less water will need to be heated - the extra bonus is if you are on a water meter you will cut down on water bills too.
- A microwave is typically more efficient than a hob or oven.
- Using a tablet is generally much cheaper than using a conventional desktop computer, or if watching something the tablet typically beats the TV hands down.
- Switching from halogen bulbs to LEDs can pay for itself in a matter of weeks.
- Use the most efficient setting on devices. This is often labelled "eco". A dishwasher with an "eco" setting might use 1.05kWh/cycle versus 1.9kWh/cycle for the standard setting. This will also reduce water usage, a bonus especially if on a water meter.
- Be on the most appropriate tariff - for many this will be the standard price cap tariffs but for some, specialist tariffs offering cheap overnight electricity may be beneficial eg those with electric vehicles.
- Consider boiler flow temperatures - this is slightly technical and varies by device but if appropriate it could save 5-10% on your gas usage just by changing a few settings with no impact to comfort levels in the home.
- Whilst often including high up-front costs, there has never been a better time to install solar, heat pumps and batteries. With all of these there is a significant investment, but financing is often available and some mortgage companies, such as Nationwide, actually offer cheap mortgage rates if including such upgrades as part of the loan purpose.

Pensford Local History Group (PLHG)

The PLHG has a busy few months ahead so here are some dates for your diary for the remainder of 2022.

These PLHG events will be at either All Saints' Church in Publow or Pensford Memorial Hall in Pensford and both venues have plenty of parking available. We look forward to seeing you. **pensfordhistorygroup@gmail.com**

Saturday 1st October 2022- Paintings and Drawings by Robert Bailey. Many previously unframed works of art have now been framed and the difference is amazing.10:00am to 11:30am at Church Market, All Saints' Church, BS39 4HP

Tuesday 4th October 2022 - Talk on "*History of All Saints' Church in Publow*". Paul Cooper will give an insight, supported by an illustrated presentation, of his research into the varied history of All Saints' Church. The history starts in the 12th Century where there was a Chapel in the Publow area and continues on a journey to this wonderful building you see today. 7:30pm to 9:00pm at All Saints' Church, BS39 4HP. Cost: £3.00 admission (includes refreshments)

Saturday 22nd October 2022 - PLHG Open Day. We have an exciting afternoon planned where you can come along and see what projects the PLHG has been busy working on over the last few years (some are now completed whilst others are still ongoing). Come along and chat with some of the people involved. The main attraction will be the "*Robert Bailey Collection*" where we will have several hundred images for people to browse through as well as a number of slideshows which will start at 2:15pm and will run every 30 minutes throughout the afternoon. We will also have a stand available displaying and selling the remaining Paintings and Drawings by the late Robert Bailey.

In addition, come and see what's in the pipeline with the current "*Places of Worship*" project and what it's all about. We will also have a stand where you can buy a copy of the flood book "*We Remember It Well*" and, if you haven't yet seen or picked up a copy of one of the three Walk Booklets launched in 2018, come and pick one up (donations gratefully accepted) as they are full of interesting information. We will also have an exhibition on "*100 Years of Pensford Schools*".

And if all of this makes you thirsty and hungry, there will be a wonderful selection of refreshments available, in partnership with All Saints' Church. 2:00pm to 5:00pm at Pensford Memorial Hall, BS39 4HW. Cost: £2.50 admission
