We Are Easter People

Luke chapter 24

Lent is halfway through. Which means we are 3 weeks away from Easter!

Christians believe in resurrection, even on our darkest days. Our world, our nation and you may have experienced some very dark days recently. But Easter is the day we Christians celebrate Jesus' resurrection from the dead and his resurrection on Easter Sunday morning points to new life for us all. With Christ's resurrection comes the assurance of eternal life and of Heaven when we depart this earth. And as we trust in the reality of God's resurrection power at work in the world, we can grow in freedom from fear of death, loss, pain, or anything that darkens our lives and separates us from God.

This is why we Christians celebrate Easter Sunday and gather every Sunday. It's the first morning of the week with Jesus. It's a natural start for a new beginning. It reminds us that since Jesus rose from the dead we too can experience

God's resurrection power, being forgiven, restored, and uplifted by his Word and his Spirit. We receive hope for our future and the future of our world. We are Easter People.

Happy and blessed Easter,
Rev Denise

Church Market News

All Saints' March Market was our first of the year after the cancellation of the February one due to snow. At the Market, on offer was our brilliant home baking stall, colourful primulas and Flamingo cards. The Church Room was packed with people enjoying getting together for coffee and biscuits while browsing and buying. We raised a total of £335 - a very good start to our fundraising year.

Next month on 6th April our visiting stall will be Alison Whitcombe with her homemade crafts. Plants will also be available as will the usual home baking. For further information - Judith Hillman, 01761 490324, Janet Smith 490584 or Gillian Wookey 490336.

Saturday 6th April

Church Room, Pensford 10:00-11:30am

• Home Baking • Alison Whitcombe Crafts •
• Plants • Entrance only 50p
and includes coffee and biscuit

Good Friday Activities at All Saints' Church

19th April 10.30am - 12 noon

We invite all primary aged children, and youngsters with their parents, to come and help us build an Easter garden within the church. There will also be an opportunity for you to make a smaller garden to take home. Other activities include decorating eggs to hang on a prayer tree, making an Easter card or friendship bracelet, all based around the Easter story. Drinks and hot cross buns will be available too! We look forward to welcoming you.

For further information - Judith Hillman, 01761 490324.

Bishop Peter's Message

He is not here. He is risen!

I heard a wonderful story recently about a Church Sunday School which was putting on a drama telling the story of Holy Week and Easter. All had gone well and the wonderful moment arrived when the angel appeared to the women at the tomb to declare those glorious words: '*He is not here, he is risen.*' (Luke 24:6). Unfortunately, five year old Brian could not remember what to say, and so the Youth Leader had to quietly remind him of his line. He then confidently grabbed the microphone and triumphantly shouted, 'He's not here; He's in prison!'

As we move this month from Lent into Holy Week and onto Good Friday I am sure we are all looking forward to Easter Day when we shall once again hear those words ring out 'He is not here, he is risen!' And we shall rejoice and celebrate again the glorious truth that Jesus rose from the dead. Death could not hold him. When Jesus began his ministry in Galilee he declared that: 'The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor, to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed and to proclaim the year of the Lord's favour.' And those words from Isaiah help us understand why Jesus came. He came to proclaim freedom for the prisoner and to release the oppressed. He came that we might 'have life and have it to the full'. He came to release us from our sins and set us free from our fears. He came that we might know God and that through knowing God we might have eternal life. 'I am the resurrection and the life' he said. 'Those who believe in me, even though they die, will live, and everyone who lives and believes in me shall never die.'

The good news of the Easter message is that although Jesus died upon the cross he rose again and through his resurrection he overcame the power of sin and the sting of death. That is why Paul could write: '*Thanks be to God! He gives us the victory through our Lord Jesus Christ.*' (1 Corinthians 15: 57). This Easter let us give thanks that Jesus is not dead. He is not in prison. He is risen indeed! Alleluia!

The Right Revd Peter Hancock

Pensford Local History Group

The archaeology of the Bath Footprint Project was the topic of the group's March meeting; our speaker was Cai Mason of Wessex Archaeology, who is Project Manager for the archaeological dig. The aim of the Bath Footprint is to make the Abbey more accessible and comfortable, reduce the carbon footprint, repair and stabilise the Abbey's collapsing floor and improve the interpretation of the Abbey's history for visitors. It is a major capital project, £19.3 million will be spent, funded largely by the Heritage Lottery Fund

The Abbey floors have, over time, become increasingly uneven and unstable due to the compaction of graves as well as the major works carried out in the 19th Century. At the same time the Abbey authorities identified an opportunity to reduce its carbon footprint and make the Abbey warmer and more welcoming by installing a modern underfloor heating system using the plentiful supply of naturally heated water from the thermal springs. This combination has provided archaeologists with a unique opportunity to travel back in time through the history of the Abbey site. Using keyhole techniques the team of archaeologists is digging through the layers of history beneath the Abbey and its environs to the Roman origins of the site. The 2 year project is at the halfway point, the dig is largely complete and during the second year the team will be writing up and analysing their findings. The Abbey is organising tours and we aim to book a visit in the near future.

In April our speaker is Anne Buchanan, B&NES Local Studies Librarian, who will be talking about the B&NES archives and archiving. The meeting on 1st April will start at 7:30pm in the Church Room. All invited. The entry charge for visitors is £2.50 including refreshments.

Pensford Evergreen Club

Pensford Evergreen Club meet on Thursdays at 7pm in the Memorial Hall with entertainment every week.

Pensford Tennis Club

February we had the snow and March it has been wind/gales and rain which has interfered with club nights and matches. The last two LTA Winter League matches have not gone in our favour with both Redland Green and David Lloyd managing to gain the upper hand. In spite of the defeats the scores did not reflect how close the actual play was - but we would say that, wouldn't we!

British Tennis Awards 2018: The Lawn Tennis Association (LTA) and Avon LTA have named Pensford Tennis Club the County winner of the "Club of the Year Award" for 2018. As a County winner we are now in contention to be entered into the LTA South West Region for all the County winners. Our award is in recognition of the Club's achievements over the years –restoring the courts in spite of setbacks and arresting the decline in membership and making the Club an asset to the village.

Pensford Tennis Club is flourishing and we always welcome new members. Our membership fees are extremely competitive and there are special deals for families. Concessionary rates are available to the disabled, persons on a low income or other special circumstances. To find out more about us please check out our website **www.pensfordtennisclub.co.uk**. We would love to hear from you. There is Club Play most Friday evenings (weather permitting) so if you would like to meet members of the club and our coach pop down to the courts and have a chat with them and perhaps a knock-up - rackets available.

Our Club coach, Dan Church, runs a very comprehensive and effective coaching programme which is open to members and non-members alike. Dan caters for all levels and abilities and he can be contacted on 07738 081652 or email danchurch04@hotmail.com. He is also available for private lessons. Our club championships and the Box League competitions are also organised by Dan.

Our next Quiz Night is on Monday 1 April in The Rising Sun, Pensford, 7:30pm. We hope you can join us.

Coaching Timetable

Mondays: 7:00pm - 8:00pm Adult Improvers

Tuesdays: Juniors
3:30pm - 4:30pm After School Tennis Club. (Any child under 11 years old, from any school, can sign up

Neighbourhood Watch

Vehicle crime in Pensford

Over the last three months or so there have been around a dozen incidents of vehicle crime in Pensford - thefts of, from and damage to vehicles. This is a sharp increase over previous months.

The police and our PCSO, Martyn Bragg, have now instigated night/early hours patrols in the hope of detecting or deterring criminal activity. To date no-one has been charged with any of these offences.

Many residents do not have secure, off-road parking and have to park on the highway. A number of the incidents have been where vehicles outside properties have been broken into and tools and other items stolen.

What can residents do?

1) Ensure that vehicles are left empty of valuables

2) Report any suspicious vehicles/people on 101 or 999 (if you think a crime is about to be committed)

3) Consider improving your vehicle security

4) Consider installing CCTV to monitor the parking area which can be a deterrent. Some residents have done this. Cameras are not expensive and can be installed by homeowners. There are, however, regulations (eg listed buildings, invasion of neighbours' privacy) which need to be taken into account.

Chris James, Neighbourhood Watch Coordinator

Parish Council Notes

Notes from Meeting held on Monday 11th February 2019.

A37 Safety Works: A resident of Pensford presented to the Parish Council and members of the public a detailed slideshow presentation in relation to the proposals set out by B&NES to improve safety on Pensford Hill for Pedestrians and Road Users. The main points of concern are the road widths and vehicle widths which raise the issues of the give way locations. The centre line should be removed. The kerb heights are different than discussed and the reasoning will be challenged. Questioning why the Bell Bollards are not able to be used. **A37 Boundary Gateway Sign:** Following consultation with everyone and a conversation with B&NES it was confirmed that we can have Pensford on the sign. The final sign will read "Welcome to Pensford, please drive carefully". **JLTP4** - The Consultation is now open on the Draft Joint Local Transport Plan 4. This plan sets out the approach to improve transport between now and 2036 in the West of England. The gateway fencing and sign will follow shortly after the main works are completed this month. **War Memorial:** Current photographs have to be taken and sent to the War Memorials Trust to support the grant application. Clerk will progress. Ownership of the wall is still to be determined. Clerk has spoken to the Cleaning company who would anticipate it taking a day and a half to clean the memorial and to put the biocide on. **Bin for Hillcrest:** Another chase on this has been submitted, although no reply has been received from B&NES. **Community Awards:** Awards Evening takes place on 27th February 2019, all those nominated will have received their invitations to attend. **Name Plate:** Further to our request for the additional name plate at Police Lane the Highway Inspector has reviewed our request and does not think a second street nameplate at this location is necessary. **Old Road Vehicle Activated Sign:** A resident has e.mailed again asking when the VAS will be installed at Old Road. **Allotments:** Further complaints have been received from allotment tenants whose crops are continually being eaten by Deer. Quotes being sought for Deer Fencing. Badgers also continue to be a nuisance. **Bristol Airport:** Bristol Airport are hosting a Jobs fair on Tuesday 26th February at 10am. Details have been sent to the Webmaster. **CCTV:** As a result of recent vehicle theft in the village CCTV had been suggested. Costs and continuous monitoring of the CCTV would be the biggest problem. It was noted that a Listed Building within the Conservation Area could not have CCTV put on it. **FOOTPATHS:** Suggestions were sought from B&NES with regard to any jobs the Parish Council would like carried out in their Parish on Public Rights of Way. A volunteer group Bath Ramblers are working on a Thursday for B&NES and are looking for jobs/projects which they can help with. It was noted that Culvery Lane footpath is in need of an extra step putting in. Other suggestions had been made. Clerk will contact PROW with the information. **Date of next Meeting: Monday 11th March 2019 at 7.15pm**

Compton Dando Village Hall

This is an appeal to everyone in our village. Our present caretaker is leaving in May and we need to find a new caretaker/bookings secretary to help keep our village hall going.

The main responsibilities are:

• taking bookings and payments (cash or cheque) and
• arranging for the handover of keys to/from hirers
• ensuring the hall is clean and tidy for hirers, including the kitchen and toilets
• routine management of the hall facilities and equipment, such as arranging electrical and fire checks and the purchase of heating oil and everyday consumables such as toilet rolls and cleaning products

The caretaker is supported by the Hall Committee, a group of volunteers who help run the hall. As a guide, the role can be expected to take between 3 to 5 hours a week. It is a paid post offering approx £200 per month.

Could you do it? Do you know someone who might? If you'd like more information, or you think you, or someone you know, might like to play a key role in supporting our lovely village hall, please do get in touch. You can ring John Dottridge, Chairman of the Hall Committee, on 01761 490445 - leave a message if no reply or by email: dottridge@gmail.com Thanks everyone for your help.

Chew Valley Gardening Society

On Thursday April 11th we welcome John Tucker, who will be talking about "*Art in the Garden*". John will also judge this month's competition, which is "*A Vase of Spring Flowers*". We aim to provide an interesting and informative range of talks and activities for those interested in gardening, whether a beginner or experienced. Full details of the programme of talks and visits for 2019 are shown on the Society's Facebook Page: **www.facebook.com/chewvalleygardeningsociety**

New members and visitors are always welcome at our meetings, which close with tea or coffee, giving you a chance to chat with gardening friends, old and new. Please come along to the Old Schoolroom in Chew Magna on the second Thursday each month, at 8.00pm.

Pensford Primary School

A message from Mr Barton

Through your generosity and their hard work, the PTA have raised very significant funds for the school in recent times. One very tangible result of this has been the set of 15 new laptops that the children have now been able to start using in school. This will make a great difference to how we will be able to teach not only computing itself, but subjects right across the curriculum. I am extremely grateful to Lisa Cains and now Emma Rehbein, who has picked up the reins as chair. The whole team around both Lisa and Emma have contributed a lot of time, energy and creativity that have made a real difference.

Ducklings

These first two weeks have flown by - the children have helped rebuild the mud kitchen; been on a bug hunt; helped to start build a woven wigwam; made pancakes and visited Hidden Valley for Forest School, where the children went on a bear hunt AND found the bear.

There were magnifying glasses hanging around in class that another class had used. The children were fascinated with them so we brought some fossils into the class to inspect. Then they asked if they could look at bugs outside - as we follow the children's interests we said, 'of course' and let them lead the way. We taught them how to use the magnifying glasses as they were holding them to their eyes trying to study daffodils across the playground!

Dragonfly

This week we have been learning how do we get to Antarctica? We have found out about Robert Falcon Scott's journey to the South Pole and have been writing facts about it. The year 2s have been focusing on using paragraphs to organise the information and the year 1s have continued to work on sounding out and punctuation. The year 1s were also very excited to attend a 'funs festival' at Chew Valley School this week. We were very proud of how well the children represented Pensford.

Otter

In topic, we started to answer some of the questions the children have raised about the local area, with our focus this week being the viaduct. We read a very interesting newspaper article, from some years ago, where the viaduct was offered for sale for 1 pound. The children were very thoughtful in their suggestions as to why no sale happened despite the very low asking price!

Kingfisher

In maths, year 6 have been taught algebra for the first time, which they have been thoroughly enjoying. Our pen-pals from Taiwan have all written their replies along with a few photos of them opening our letters, which has been very exciting for our pupils. We have also been very fortunate that we have had Miss Garland, a Bath Spa teacher join us this week.

Thanks

The family of Andrew Smith would like to say thank you for the many cards and messages of sympathy we have received.

Your kindness and support has helped us through the most difficult of weeks. We are grateful to be part of such a caring community. THANK YOU
