PARISH PONDERINGS

Parish Ponderings

What season are you in?

Exodus 33:11 The Lord would speak to Moses face to face, as one speaks to a friend.

Spring is a very beautiful time, green and colourful. I had a pair of new eyes seeing our countryside when one of my siblings was visiting recently. Our quality of life, being able to enjoy green spaces, having a pint in the garden of a pub, talking to people in the shop or greet them along the road...was the antithesis of his daily experience. This holiday season was deeply refreshing for him. It made me think what season are we in? A season that is deeply refreshing? Or perhaps we need deep refreshing.

Moses would go alone away from his people encamped in the desert to talk to God in a tent especially set up for that purpose. It was called the tent of meeting. Moses would speak candidly to God about his work and all of his many concerns. And there God would listen and speak plainly to Moses.

Moses would then know what 'season' he was in. He was being real and finding his bearings with God. He would know what to do next, how to lead the people, and deal with many demanding challenges.

My simple prayer is that you would be deeply refreshed this season. God bless you.
Rev. Denise

**All Saints' Church
Market**

The church market for All Saints' Publow held on 6th April was another enjoyable and successful morning. The home baking stall was well stocked and did a brisk trade. Colour was added with some lovely spring primrose plants. Alison Whitcombe and friends had a stall of amazing crafts for sale to support the Westhay Opportunity Centre. A total of £269.21 was raised for church funds. Many thanks to all who support this fundraising and social event.

Our next market will be on Saturday, 4th May when our visiting stall will be Helen Groves with her beautiful fused glass items. In addition, raffle tickets for the Summer Hamper will be on sale. The draw will take place at our concert in conjunction with Vox in Frox on Saturday, 15th June at All Saints' Church.

For further information - Judith Hillman, 01761 490324, Janet Smith 490584 or Gillian Wookey 490336.

Christian Aid Week

12th - 18th May

An envelope for this year's Christian Aid Collection can be found with this edition of Parish News. For the previous two years we have invited all of you who would like to contribute to hand in your filled envelope at any of the three churches in the Benefice, or give it to any church member for delivery. Please do so again.

This year Christian Aid is highlighting the dangers of childbirth in Sierra Leone where lack of health clinics, good hygiene and medical training make it the world's most dangerous place to give birth.

Contributions this year will be targeted on improving conditions in Sierra Leone, so your continuing support is urgently needed. If you are able to fill in the Gift Aid form on the envelope, this will increase your donation by 25%. All contributions will be gratefully received.

On behalf of Christian Aid, thank you for your support. Judith Hillman 01761 490324

House Group

Wednesday evenings

As a group we will choose to study and talk about a variety of topics from the bible, books, DVD sessions, etc. Everyone is invited and the location will move around the Benefice to accommodate everyone. Please ring Revd Denise on 07849 821588 for more details.

Finding the best in the world

It's Somerset day on Saturday, 11 May. It is an opportunity to profile some of the delights of our county and develop relationships across our communities. It is on this day that we remember Alfred (a failed 'Bake Off' contestant?) taking on the Vikings from the Somerset marshes and winning, thus spawning a 'make Somerset great again' moment.

Now, don't get me wrong this isn't about us in Somerset trying to prove we are better than anyone else. We have seen plenty in recent days which has sought to divide rather than unite us as a country. Rather, this is an opportunity to value the uniqueness of some of our wonderful people, places and possibilities here in Somerset and across the diocese. I do hope you will join in!

See www.somersetday.com for more details.

And surely that is what the Church should be about too. Celebrating all that is good, joyful and abundant in us. It reminds me of those words from Philippians 4:8...

'Whatever is true, whatever is honourable, whatever is just, whatever is pure, whatever is pleasing, whatever is commendable, if there is any excellence and if there is anything worthy of praise, think about these things.'

It is so easy to get caught up with negatives, with the glass half empty syndrome, with stuff that brings us down rather than building us up. I wonder if we might make this month one where we encourage ourselves and others to find the best in the world and people around us. Live life in all its fullness! (John 10:10)

Pensford Local History Group

Pensford commemorated the 50 years since the Great Flood of 1968, with an exhibition, events and the publication of a book "*We remember it well*". The question afterwards was what to do with all the stories, photographs and other material that had been acquired during the year. Collectively it was decided to offer everything to the Archive Office in the Guildhall in Bath. With this in mind Pensford Local History Group welcomed Anne Buchanan to their April meeting. Anne is Local Studies Librarian for B&NES who works in partnership with the Authority's Archive Department. She explained very clearly the difference between a library and an archive, what they hold, how they operate and how we, the public, can use them. Anne's engaging and easy manner encouraged many questions, as she talked about what is offered and selected for archiving, as well as the complications of copyright.

When donating a collection it is very helpful to catalogue it, following the Archive guidelines, as donors will know the information relating to the letters, stories, images or books. Small details such as the names of people in photographs, of buildings, dates of events, and owners of material is invaluable and cannot be done by staff. These details will help people like us to do searches and use the valuable donations.

Summer walk.

We have arranged a history walk around Wells on Monday 13 May starting at 7:00pm. Meet by the fountain in the market place and it's £3.00 per person. All welcome.

Chelwood Village Hall

The Frozen Roman - Saturday 1st June at 7:30pm

Badapple Theatre return to Chelwood Village Hall on Saturday 1 June at 7.30pm for their fifth visit with the premiere of a new comedy by Kate Bramley, with original songs and music by Jez Lowe.

They came, they saw, they built a wall... they went away again. Or did they?

A clandestine meeting at the Phoenix pub gets heated, as the villagers rack their brains for new ways to fight the imminent housing development that threatens village life as they know it.

The discovery of an ancient Roman site under foot may just throw them a lifetime, if they can somehow authenticate their mysterious findings.

But things aren't always what they seem!

Expect a double dose of comedy as the situation goes "ballisticus maximus".

The cast are Jack Alexander (Eddie in Eddie and the Gold Tops) who makes a welcome return alongside Emma Bright, who was Edie in the original Thankful Village production and Jack Wagman, who has appeared on Coronation Street.

Tickets are available now from Stephen Meale on 01761 490002 or 07890 965172 or online at www.badappletheatre.com £12 adults, £10 Concessions and £6 for under 16s Chelwood Village Hall Saturday 1st June at 7.30 pm

SCHOOL HIGHLIGHTS

Pensford Primary School

A message from Mr Barton

It's hard for me to believe that we are already at the end of Term 4 and that the Summer Terms are on their way. This week we have welcomed another pupil to the school, and the Year 2 children were very excited to welcome Freddie to their class. This takes our school roll to 89 and leaves only 16 spaces overall and just one spare seat in the dining hall at lunchtime! Pensford can never be a 'big' school and it is a great strength of ours that we are small and able to give more individual attention to the pupils. However, the 25% increase in pupils over the last two and half years has helped to make the school even more vibrant.

Ducklings

Art Week. This was a fun way to end the term. Arts Week was led by our Arts co-ordinator, Miss Cowin, who requested that each class should use three different mediums throughout the week. In the lead up to Easter we thought it would be fun to create, 'Eggs 3 Ways'. Our children began with their favourite indoor activity, colouring in. We then moved onto egg dyeing. This involved adding vinegar and food colouring to water and soaking hard boiled eggs in their shells. The children added their own touches such as googly eyes and sequins to these egg-straordinary creations. Finally the children used special paint pens to make their own Easter-inspired ceramic tiles.

Dragonfly

What a fun science filled week!! This week we have had the opportunity to ask science questions, make predictions and complete experiments. We have found out how to make the best paper planes, worked out what things dissolve, been on a minibeast hunt and watched what happens when you mix vinegar and bicarbonate of soda..

Otter

We have had a brilliant science themed week - we investigated different aircraft to see which one stayed in the air for the longest, made our own solar system using toilet roll, made water rise, watched chemical reactions (vinegar and bicarbonate of soda), and found out why an orange will float with its peel on but sink when it is removed. We also really enjoyed our forest school visit and particularly liked the welly walk in the river.

Kingfisher

To end the term we have had an Art week, where we have produced many different forms of art linked to evolution. The class have also written their own newspaper report based on any topic of their choice and the year 6 had a practise run through for the Maths SATs papers, of which they did extremely well!
Happy Easter Everyone!
